5 nicest sites:

www.kulzerdesign.com
I like this because I made it and it's fast loading

https://www.brothers-brick.com
This one is clean and has fabulously interesting content.

http://www.webagent007.com
IF you have flash enabled this site is really cool with nice interactive
elements.

http://www.feedmusic.com/
I love the scrolling text and moving background. Super Cool Navagation!

5 Worst Websites:

http://www.stjohnscatholic-darwin.com/
Can't find anything and bad colors and ugly.

kulzer.000webhostapp.com
There's nothin' there.
